(a)            ~~The county's determination that the~~ An individual shall be found to have ~~has~~ a history of participation and full cooperation in welfare-to-work activities if the individual meets ~~shall be based on either of the following criteria in Section 42-302.114(a)(1) or (a)(2) that may apply:~~

(A)            For purposes of this section, a sanction received while the individual was a volunteer in the CalWORKs welfare-to-work program pursuant to MPP Sections 42-712.51 or 42-712.52, or an aid recipient in another state, shall not be considered a welfare-to-work sanction.

(2)            The recipient has an instance or instances of noncompliance that resulted in a welfare-to-work sanction or sanctions; however, the individual has also maintained to

~~the best of his/her ability~~, a sustained period or periods of welfare-to-work participation despite the presence of an significant impairment or combination of impairments, as determined pursuant to MPP Sections 42-711.56, 42-711.57, or 42-711.58, ~~or 42-712.442~~ including domestic abuse, as determined pursuant to MPP Section 42-715.

- (b) Upon the county's determination that the individual has a history of participation and full cooperation in welfare-to-work, the county shall assess the individual's current ability to maintain employment or participate in welfare-to-work activities.
- (1) For purposes of this section, an individual who is fully participating in her/his welfare-to-work assignment upon reaching the 60-month time limit shall be considered ~~capable of work~~ able to maintain employment or participation unless the individual's required ~~hours of participation~~ or welfare-to-work activity ~~have~~ has been modified in accordance with MPP Section 42-302.114(b)(2)(~~B~~C).
  - (A) For purposes of this section an individual is fully participating if she/he is meeting their 32 or 35 hours of participation requirement or successfully participating in unsubsidized employment and/or other welfare-to-work activities for the number of hours an appropriate activity is reasonably available.

## HANDBOOK BEGINS HERE

Example of an individual who is able to maintain employment and is participating for less than the required 32 or 35 hours per week: Due to a business slowdown, a recipient, who has received 58 countable months of aid, had her hours of unsubsidized employment reduced from 35 hours to 20 hours per week. The recipient has reached her 24-month time limit and must participate in community service. However, an appropriate community service placement does not become available before the recipient, whose job as a Retail Clothing Sales Clerk is consistent with her Welfare-to-Work participation and employment goal, reaches her 60-month time limit. Although the recipient is not participating for the required number of hours, she is not subject to a sanction and is considered able to maintain employment.

Example of an individual who may be considered incapable of work and is participating for the required 32 or 35 hours per week through a modification of her/his welfare-to-work activities:

A recipient has a documented physical impairment, chronic back pain following surgical treatment for a back injury, and history of substance abuse. Upon reaching her 60-month time limit, the recipient's welfare-to-work participation consists of substance abuse treatment, pain management classes, and community service as a clerical assistant.
